|---------------------|---------------------------|---|--|
| | | | |
| | Project Name | Reebok Website | |
| | Test Designed By | Anil | |
| | Test Designed Date | 03 - Oct -2024 | |
| | Test Executed By | Anil | |
| | Test Executed Date | 03 - Oct - 2024 | |
| | | | |
| Test Case ID | Test Scenario | Test Case Description | Pre - Requisites |
| TC_001 | | Verify that the registration form displays an error message when the email field is left empty. | Any Opereting System With a running Internet connection and Chrome browser |
| | | | User is on the registration page |
| | | | |
| | | | |
| | | | |
| TC_002 | Valid Registration | Verify that a user can successfully register with valid data. | Any Opereting System With a running Internet connection and Chrome browser |
| | | | User is on the registration page |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_003 | Invalid Email Format | Verify that the system displays an error message for an invalid email format. | Any Opereting System With a running Internet connection and Chrome browser |
| | | | User is on the registration page |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|------------------------------|--|---|
| TC_004 | Password Mismatch | Verify that the system displays an error message when the password and confirm password fields do not match. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_005 | Duplicate Email Registration | Verify that the system does not allow registration with an email address that is already registered. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page, and the email address is already registered |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_006 | Password Strength Validation | Verify that the system enforces password strength requirements. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_007 | Minimum Password Length | Verify that the system enforces a minimum password length. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|--------------------------------|---|--|
| TC_008 | Special Characters in Password | Verify that the system accepts passwords with special characters. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_009 | Optional Fields | Verify that optional fields can be left empty and the form can still be submitted successfully. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_010 | Terms and Conditions | Verify that the user must accept the terms and conditions to register. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_011 | Email Confirmation Link | Verify that the email confirmation link works correctly. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has successfully registered and received a confirmation email. |
| | | | |
| | | | |
| TC_012 | Cross-Browser Compatibility | Verify that the registration page works correctly across different web browsers. | Any Operating System With a running Internet connection and Chrome browser |

| | | | |
|--------|--------------------------------|---|--|
| | | | User is on the registration page using different browsers (e.g., Chrome, Firefox, Safari, Edge). |
| | | | |
| | | | |
| | | | |
| TC_013 | Mobile Responsiveness | Verify that the registration page is responsive and works correctly on mobile devices. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page using different mobile devices (e.g., smartphones, tablets) |
| | | | |
| | | | |
| | | | |
| TC_014 | Session Timeout | Verify that the system handles session timeouts correctly. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| | | | |
| TC_015 | Registration Confirmation Page | Verify that the user is redirected to a confirmation page after successful registration. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the registration page. |
| | | | |
| | | | |
| TC_016 | Valid Login | Verify that a user can log in with valid credentials. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| TC_017 | Invalid Password | Verify that a user cannot log in with an invalid password. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| TC_018 | Blank Username and Password | Verify that the login page displays an error message when both username and password fields are left blank. | Any Operating System With a running Internet connection and Chrome browser |

| | | | |
|--------|--|---|--|
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| TC_019 | Multiple Browser Login | Verify that the login page allows simultaneous logins with different credentials in different browsers. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page in multiple browsers. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_020 | Enter Key Functionality | Verify that the "Enter" key works correctly on the login page. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| TC_021 | Account Lockout After Multiple Failed Attempts | Verify that the account is locked after multiple consecutive login attempts. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_022 | Login with Unverified Email | Verify that a user cannot log in with an unverified email address. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User's email address is not verified. |
| | | | |
| | | | |
| | | | |
| TC_023 | Login with Case Sensitivity | Verify that the login system is case-sensitive for both username and password. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|----------------------------------|--|--|
| TC_024 | Login with Browser Autofill | Verify that the login page works correctly with browser autofill functionality. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has saved login credentials in the browser. |
| | | | |
| | | | |
| | | | |
| TC_025 | Login with Expired Password/ otp | Verify that the system prompts the user to change their password /otp if it has expired. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User's password/otp has expired. |
| | | | |
| | | | |
| | | | |
| TC_026 | Login with Network Interruption | Verify that the system handles network interruptions during the login process. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the login page. |
| | | | |
| | | | |
| | | | |
| TC_027 | Login with Browser Back Button | Verify that the login session remains valid when the browser back button is used. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in. |
| | | | |
| | | | |
| | | | |
| TC_028 | Login with invailed number | Validate phone field on the test form with invaild number | Any Operating System With a running Internet connection and Chrome browser |
| | | | |
| | | | |
| | | | |
| TC_029 | Valid Search Query | Verify that the search bar returns relevant results for a valid search query. | Any Operating System With a running Internet connection and Chrome browser |

| | | | |
|--------|--------------------------------|---|--|
| | | | : User is on the Reebok website. |
| | | | |
| | | | |
| TC_030 | Valid Search Query | Verify that the search bar returns relevant results for a valid search query. | Any Operating System With a running Internet connection and Chrome browser |
| | | | : User is on the Reebok website. |
| | | | |
| | | | |
| TC_031 | Invalid Search Query | Verify that the search bar handles invalid search queries gracefully. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_032 | Search with Special Characters | Verify that the search bar handles special characters correctly. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_033 | Search with Multiple Keywords | Verify that the search bar returns accurate results for queries with multiple keywords. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_034 | Auto-Suggestions | Verify that the search bar provides auto-suggestions as the user types. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |

| | | | |
|--------|---------------------------------|---|--|
| | | | |
| | | | |
| TC_035 | Search with Filters | Verify that the search results can be filtered by various criteria (e.g., price, category). | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_036 | Search History | Verify that the search bar displays recent search history. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| TC_037 | Search with Typo Correction | Verify that the search bar suggests corrections for common typos | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_038 | Search with Category Filters | Verify that the search bar allows filtering results by category. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_039 | Search with Price Range Filters | Verify that the search bar allows filtering results by price range. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|---|---|--|
| YC_040 | Search with Product Reviews | Verify that the search results display product reviews and ratings. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_041 | Search with No Results Found | Verify that the search bar handles cases where no results are found. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_042 | Search with Recently Viewed Products | Verify that the search results page displays recently viewed products. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_043 | Search Bar Load Time | Verify that the search bar loads within 5 seconds | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website. |
| | | | |
| | | | |
| TC_044 | Search Bar Load Time on Different Devices | Verify that the search bar loads within 5 seconds on various devices (e.g., desktop, mobile, tablet). | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website homepage. |
| | | | |
| | | | |
| | | | |
| TC_045 | Add Single Item to Cart | Verify that a single item can be added to the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product page. |
| | | | |

| | | | |
|--------|---|---|--|
| | | | |
| TC_046 | Add Multiple Items to Cart | Verify that multiple items can be added to the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product page. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_047 | Add Item with Different Variants | Verify that items with different variants (e.g., size, color) can be added to the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product page with variant options. |
| | | | |
| | | | |
| TC_048 | Remove Item from Cart | Verify that an item can be removed from the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| TC_049 | Add to Cart with Minimum Order Quantity | Verify that the system enforces a minimum order quantity for certain items. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product page of an item with a minimum order quantity. |
| | | | |
| | | | |
| TC_050 | Add to Cart with Applied Coupons | Verify that coupons can be applied to items in the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has a valid coupon code. |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|----------------------------------|---|--|
| TC_051 | Add to Cart with User Logged Out | Verify that items can be added to the cart when the user is logged out. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged out and on the product page. |
| | | | |
| | | | |
| TC_052 | Add to Cart with User Logged In | Verify that items can be added to the cart when the user is logged in. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and on the product page. |
| | | | |
| | | | |
| TC_053 | Add Item to Wish List | Verify that a single item can be added to the wish list. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and on the product page. |
| | | | |
| | | | |
| TC_053 | View Wish List | Verify that the user can view items in their wish list. | Any Operating System With a running Internet connection and Chrome browser |
| | | | : User is logged in and has items in the wish list. |
| | | | |
| TC_054 | Remove Item from Wish List | Verify that an item can be removed from the wish list. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has items in the wish list. |
| | | | |
| | | | |
| TC_055 | Add Multiple Items to Wish List | Verify that multiple items can be added to the wish list. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and on the product page. |
| | | | |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|---|--|--|
| | | | |
| TC_056 | Move Item from Wish List to Cart | Verify that an item can be moved from the wish list to the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has items in the wish list. |
| | | | |
| | | | |
| TC_057 | Add Item to Wish List with Different Variants | Verify that items with different variants (e.g., size, color) can be added to the wish list. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and on the product page with variant options. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_058 | Wish List with Browser Back Button | Verify that the wish list remains consistent when the browser back button is used. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has items in the wish list. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_059 | Successful Checkout with Valid Payment | Verify that a user can successfully complete a checkout with valid payment details. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_060 | Checkout with Multiple Shipping Addresses | Verify that a user can select multiple shipping addresses for different items in the cart. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has multiple items in the cart. |
| | | | |

| | | | |
|--------|---|--|--|
| | | | |
| | | | |
| | | | |
| | | | |
| TC_061 | Checkout with Expired Credit Card | : Verify that the system handles cases where the credit card used for payment is expired. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_062 | Checkout with Network Interruption | Verify that the system handles network interruptions gracefully during the checkout process. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_063 | Checkout with Different Payment Methods | Verify that a user can complete a checkout using different payment methods (e.g., credit card, PayPal, gift card). | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_064 | Checkout with Address Validation | Verify that the system validates the shipping address during checkout | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |
| | | | |
| | | | |
| | | | |

| | | | |
|--------|--|--|--|
| | | | |
| TC_065 | Checkout with Order Summary Review | Verify that the user can review the order summary before placing the order. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_066 | Checkout with Order Confirmation Email | Verify that the user receives an order confirmation email after successful checkout. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has successfully placed an order. |
| | | | |
| | | | |
| TC_067 | Checkout with Order Tracking | Verify that the user can track their order after checkout. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has successfully placed an order |
| | | | |
| | | | |
| | | | |
| TC_068 | Checkout with Saved Addresses | Verify that a user can use saved addresses during checkout. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has saved addresses. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_069 | Checkout with Order Modification | Verify that a user can modify the order before placing it. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User has items in the cart. |

| | | | |
|--------|--------------------------|---|--|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_070 | Submit a Review | Verify that a user can submit a review for a product. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_071 | View Product Reviews | Verify that a user can view reviews for a product. | Any Operating System With a running Internet connection and Chrome browser |
| | | | Product has existing reviews. |
| | | | |
| | | | |
| TC_072 | Filter Reviews by Rating | Verify that a user can filter reviews by rating (e.g., 5-star reviews). | Any Operating System With a running Internet connection and Chrome browser |
| | | | Product has reviews with different ratings. |
| | | | |
| | | | |
| | | | |
| TC_073 | Delete a Review | Verify that a user can delete their own review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has submitted a review. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_074 | Like a Review | Verify that a user can like a review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and viewing a review. |

| | | | |
|--------|-----------------------------|---|--|
| | | | |
| | | | |
| | | | |
| | | | |
| TC_075 | Dislike a Review | Verify that a user can dislike a review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and viewing a review. |
| | | | |
| | | | |
| | | | |
| TC_076 | Review with Images | Verify that a user can upload images with their review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_077 | Review with Video | Verify that a user can upload a video with their review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_078 | Review with Character Limit | Verify that the review text box enforces a character limit. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |

| | | | |
|--------|--------------------------------|---|--|
| | | | |
| | | | |
| | | | |
| TC_079 | Review with Special Characters | Verify that the review text box accepts special characters. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_080 | Review with Rating Only | Verify that a user can submit a rating without writing a review. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased the product. |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_081 | Successful Return Initiation | Verify that a user can successfully initiate a return within 15 days of purchase. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased an item within the last 15 days. |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| TC_082 | Return with Original Packaging | Verify that the system requires items to be returned with original packaging. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is logged in and has purchased an item within the last 15 days. |
| | | | |
| | | | |

[illegible]

| | | | |
|--------|--------------------------------|--|--|
| TC_086 | Viewing Product Details | Verify that a user can view the product details page for a specific item. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the Reebok website |
| | | | |
| | | | |
| | | | |
| TC_087 | Viewing Multiple Images | Verify that a user can view multiple images of a product. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product details page. |
| | | | |
| | | | |
| | | | |
| TC_088 | Checking Product Availability | Verify that a user can check the availability of a product in different sizes and colors | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product details page. |
| | | | |
| | | | |
| | | | |
| TC_089 | Reading Customer Reviews | Verify that a user can read customer reviews on the product details page. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product details page. |
| | | | |
| | | | |
| TC_090 | Viewing Product Specifications | Verify that a user can view detailed product specifications. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product details page. |
| | | | |
| | | | |

| | | | |
|--------|----------------------------------|---|--|
| TC_091 | Checking Product Reviews Summary | Verify that a user can view a summary of product reviews. | Any Operating System With a running Internet connection and Chrome browser |
| | | | User is on the product details page. |
| | | | |
| | | | |
| | | | |
